Sean Gordon - Graphic Design CV

I am a multitalented graphic designer with a keen interest in improving UI, Motion graphics and coding skills.

I have kept this CV as concise as possible. If you are interested in learning more about me, please see my portfolio site.

Skills:
Listed from 'Main skills' to 'skills in development'

• Design software & other platforms
Over five years of experience with Photoshop, InDesign & Illustrator, with comprehensive experience in other Adobe software and other platforms such as Figma & VSCode.

• Main design skills
Typography, web & UI, branding, editorial, artwork & illustration, packaging, print (marketing materials etc), presentation design.

• Additional skills
Photography, photo editing, painting, 3D modelling and animation.
I also have an interest and wide knowledge of design and art history.

• Currently learning
Software and web development, HTML, CSS and JS to gain an understanding of how developers will execute UI concepts (both front-end and eventually back-end) in order to communicate better and improve workflow, as well as to build freelance sites from scratch.

Education:

HND Visual Communication in Graphic Design
August 2018 - May 2020
Edinburgh College

National Certificate Art & Design (digital media)
August 2017 - May 2018
Edinburgh College

YCN **You Can Now (YCN) Award 2018/19**
Certificate of Commendation for the live Hostelworld brief - to encourage students to travel (with emphasis on employability), stay in hostels and book with Hostelworld. This project required a heavy focus on presentation design in order to stand out, as well as a demonstration of how the proposed UI aspects will look. View full presentation on my Behance page.
